

Top rankings for Collins Stewart UK Analysts

Shares Magazine

In the Shares Magazine Analyst Awards 2009 Collins Stewart's UK analysts have been voted first in Industrials, Real Estate and Support Services sectors and second in Oil and Gas. The magazine tracks analysts over a 12-month period to find the most consistently accurate and profitable in their calls, across 20 market sectors.

In the Industrials sector, Andrew Fitchie, Michael Campbell and Tom Plinston beat off competition from BoA-Merill Lynch and Credit Suisse. Julian Cater, Michael O'Brien, Imran Akram and James Gilbert took first place for various calls grouped under Support Services category up against Morgan Stanley and Singer. Aaron Guy beat Arbuthnot and Goldman Sachs in the Real Estate sector and Gordon Gray claimed second place for Oil and Gas after BoA-Merill Lynch.
